

Product End-Of-Life/Sale Notification

Dear Valued Customer:

We are here to inform you the Industrial Ethernet Switches listed in below are being discontinued. This decision is a result of the extreme difficulty in procuring the main switch Chipset from Marvell Technology, leading to the long delivery times and significant price fluctuations. Consequently, we have to suspend the promotion of the products. We have other alternative products to replace these models. In addition, our team is committed to providing you the technical services to facilitate a smooth transition. We appreciate your understanding and thank you for your continued partnership.

- Issue Date: Jan.29, 2024
- Affected Model: DP/DS210, DS306, DP/DS310, DP/DS406, DS409, MP310, WR316
- Last Buy of the remaining Stock: Few, please contact our sales.
- Replacement:

EOL Model	Alternative Model	Description
DS210/ DS306/ DS310/ DS406	DS410L-MM-SC-2/ DS410L-SS-SC-40 DS410L	Industrial 8G+2GF(SC Multi-mode) L2 Managed Ethernet Switch, multi-mode 1310nm, 2KM, SC / Single-mode 1310nm, 40km, SC Industrial 10-port Full Gigabit L2 Managed Ethernet Switch, 2GSFP+8GT
DP210/ DP310/ DP406	DP410L DP412	Industrial 10-port Full Gigabit L2 Managed PoE Switch, 2GSFP+8GT PoE+ Industrial 12-port Full Gigabit Managed (PoE+) Switch, 8GT (PoE+) and 4GF/4GT
DS409	DS412	Industrial 12-port Full Gigabit Managed Ethernet Switch, 8GT+4GSFP
MP310	MP610-HV-X MP610-LV-X	Industrial 10G L3 Managed M12 X-code PoE Switch, 110VDC Industrial 10G L3 Managed M12 X-code PoE Switch, 24VDC
WR316GPS	WR319GP-LTE WR315GR-2C-5GM2/LTE	Industrial 8+1G port Cellular PoE Routing Switch, USB, 2SIM, GPS, LTE-(Region) Industrial Secure Router, Dual Core, 5GbE, 1 Relay, 2SIM, M2 socket with 5GNR/LTE module kit
